Dear Friends,

Join us, as the Department of Neurosurgery at All India Institute of Medical Sciences, New Delhi, celebrates its 60th anniversary with the Diamond Jubilee Celebrations and the **27th Annual AIIMS Microneurosurgery Workshop**, which will take place from **February 27th to 28th February 2025**. This milestone event strives to promote education through interactive seminars and cutting-edge technologies. Delegates will improve their neurosurgical abilities by participating in hands-on teaching exercises, attending didactic lectures, and observing live or recorded procedures.

We are honored to host the **35th Sarveshwari Memorial Oration** by **Prof. Dheerendra Prasad (USA)** and the **6th Prof. P.N. Tandon Oration** by **Prof. Dipanker Nandi (UK)**, both esteemed alumni recognized globally for their contributions to neurosurgery.

In addition, a special "Diamond Jubilee" Scientific alumni meeting on **March 1st and 2nd, 2025**, will provide a forum for shared learning and collaboration.

For more details on the scientific program, visit www.neurosurgeryaiims.org Highlights include workshops on Gamma Knife, Deep Brain Stimulation and live microneurosurgical procedures, offering unparalleled opportunities to learn and exchange knowledge in these specialized fields.

We look forward to welcoming you to this landmark event.

Warm regards,

Department of Neurosurgery, AIIMS

**Live surgeries are subject to permissions by NMC and availability of patients.*
