29th AIIMS ANNUAL MICRONEUROSURGERY WORKSHOP

Dear Friends,

Season's greetings.

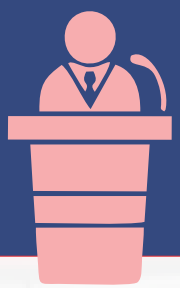

We cordially invite you to AIIMS Annual Microneurosurgery Workshop 2027, scheduled for 11th to 13th February 2027, with a Pre-conference workshop on 10th February 2027.

For over two decades, this globally renowned workshop has offered an immersive platform for surgical education and intellectual exchange, allowing attendees to observe master surgeons and gain invaluable insight into surgical philosophy, decision-making, anatomical approaches, and meticulous techniques.

Highlights of the 2027 edition include:

- **The 37th Sarweshwari Memorial Oration**
  Orator: Prof Luis A B Borba
  (Professor of Neurosurgery, Federal University of Paraná, Brazil, and President of the World Federation of Neurosurgical Societies).

- **The Prof P N Tandon Oration**
  Orator: Dr Hirotaka Hasegawa
  (Saitama Medical Centre, Japan).

Pre-Conference Workshop sessions, curated by our faculty

- Endoscopic Skull Base Surgery. **(Cadaver workshop)**
- Introduction to Surgery for Temporal Lobe Epilepsy

visit our website for further details: www.neurosurgeryaiims.org

We eagerly look forward to your participation in what promises to be an enriching academic experience.
